Ready or not, here I come

*Tonight I'm going to be my own hero
It's my dignity I'm gonna save
I'll no longer come in zero
Second to the number one you fave
I've memorized exactly what to tell you
It's funny how the words all fell in place
I've worked up the nerve to break the spell you have me under, enslaved
I'm smokin' hot head to toe
Ready or not, here I go
Invincible, till you walk in and I lose control
And suddenly I'm tongue tied, twisted, so confused
You're in front of me and I don't know what to do
What I'm feelin' inside I just want to shout
I'm screamin' "I love you!" but the words just won't come out
I've gotta do something before you walk away
Guess I'm no Superwoman today*

*Tonight is going to take a little bravery
I'll no longer hide behind my cape
I will fight the fear, I won't let it take me
I'm gonna mask it, save face
I'm smokin' hot head to toe
Ready or not, here I go
Invincible, till you walk in and I lose control
And suddenly I'm tongue tied, twisted, so confused
You're in front of me and I don't know what to do
What I'm feelin' inside I just want to shout
I'm screamin' "I love you!" but the words just won't come out
I've gotta do something before you walk away
Guess I'm no Superwoman today*
